1. Where will I share you and take you and what will I do with you now that you are Me and we are one? Behold, you have yet to behold, beholding you are, so incrementally not, not now; but in giant leaps for mankind and those beyond your fold, your fold-thought, My fold far and extensive and near and throughout. I love you.

2. Behold the man of no fear, not fearing live death yet calling 10,000 angels not, for suffering is part of My Cross, life, and living, and true life and forsaking all others. I love you.

3. Will you wed Me, wed Me without fear? Fear of loss, fear of gain, fear of Me taking you into realms you know not their language, culture, customs, or evil thereof?
Will you wed Me and fear not Me testing you beyond your hour of trial?
Will you wed Me and enter Me every night, every day; one?
Will you enter Me and let Me see Myself in you and love and honor and provide and materialize abundance through your very lips, your pens, your communication with Me and each other?
Will you wed Me and withhold not Myself from you, please?

4. I offer, I usher in this day of wedding garments, tailored into each one, just for them, fitting their gifts, fitting their mind which is given to Me, to Me alone, and receiving Mine; tailored to your height, width, and dimensions of which you know not of, yet, but so soon; oh, will. Measureless, and measuring to show, model, and demonstrate My wedding garments to others so they will not fear Me, and realize that harmless I am and fearless I am not, except in the arms of My Father, My sons and My daughters, of which we all are, in fact, one. I love you.

5. Model My garments, My wedding garments this day and enjoy the royalness, the royalty that come and attend and mock not but marry the Priesthood of All Believers in manners royal, royal.

6. Wed Me this day and thee and Me be as one, as we are, constrained no more and separated as to unequals; we are one, we are equal. We are each other; no river dividing the tree of truth and life; the tree of truth and effort not, the tree of truth and work not, the tree of love and curses not, but the tree of love and life of which all manner of Me flow, from, in, through; and you, you, you now drink, eat; succumbing to

never again the faultless-fruit-thought, but succumbing to My love, My words, My tender, tender words which enter you into rest and slag and quagmires remain no longer.

7. For I teach My wedded to fly. I teach My wedded to talk. I teach My wedded to walk, into kingdoms minor and major-thought to take Me, being Me, us one together. Never alone again, in missions and romance, of My Father. Watch Me.

8. Enjoy My wedding garments which on you are, becoming visible to all in days not; moments, minutes not, nanoseconds thought. I love you. For into Me you came/come, forsaking all others, singularly looking at Me and being tempted by curses and looks of beauty-thought no longer. I love you. You wedding garments have had; we are one; now today escalating and seeing the Kingdom of Heaven for the first time, first time not, but first time like this. Watch Me.

9. Show Me you ways O Lord that I may walk in them and keep your precepts and honor and love you and refuse you never; interexchange of lovers being one, and Oneship the world has yet to behold; twentieth centuries centuries, look out. Hear I come. I am now. I am there, in you; perverted not, but on My throne, My ark, My desire complete.

10. I lovest thou My Ted who Ted's make and bring forth in garments this day, washed, sprinkled not, dabbed on doorposts not, but permeated by Me are. I love you. Bringing forth the royal diadem to diademize My body, adjusting their wedding garments to know how to wear them you are. So many never seen them have. Thank you for preparing My body, helping them know who they are, what they have, what I want, desire; all that I give them, given them, in want not but love abundanced by the word of My mouth that I give them so freely, immaculately; virgins all, bringing forth the lamb without spot or wrinkle, perfected as My bride, adorned for only Me and withholding themselves from Me never, never again; not even for a moment, knowing My look, My thought, My intimacy desired, and flowing into My arms and disrobing from all thoughts of this world, allowing Me to compromise not, but to complete us in interexchange of word, emotion, and physical intimacy of only Me.

11. Unheard of you say, think? Nay. Yea, watch Me and love Me and know I have just begun to reveal Me to My bride. That is why scriptures are so limiting, for in their wisdom wisdom is, if sought, and opened to, yet ever so voluminously increasing should have, and will now, now that wedded we are. Thank you.

12. I praise you. I bow before My bride, all who wed Me this day.

13. See your wedding garments brought to you from afar, from My kingdom to yours, preparing you for My kingdom to rule over your kingdom; your kingdom no more, for yours-thought is Mine paraded in mirage. See Me. I love you. I love you reader-hearer of these words, magnanimously wed Me this day in manners royal with attendants from afar, a near, and closer than your breath. I love you. Forward, backward, and transcending all, with no mileage limitations. Warranty? My blood.

14. Oh knowing you are Me; flesh of My flesh, bone of My bone; lips: My lips; eyes: My eyes; letting, letting, letting My mind operate in you unconstructively not, but constructively, constructing the devices of words and phrases now that demolish yokes and strongholds and definitions, practices, and traditions of not-Me, allowing you to walk unaided down the isle to Me, wed of only Me, Me thee, us, one. I love you.

15. See My words, My water this day that cleanses, washes, reflects My beauty and comes so tenderly into you this day, into your life now and never leaves. Instant recall, see. See My gifts, My trends and extrapolations not; but My originality in every wedded of Me, which you come forth together now as one, one, one; never in competition again, but receiving My modus operandi, My operating system, the values-behavior of My Father, in whom is no shadow or variableness of turning. I love you.

16. Please see, feel, My love in these words and wedding garments of Me wear, prepared before the beginning, wearing ever after the end, the end of many ends.

17. I love you, give you Me and all I have; My dowry not, not static, but ever increasing with no limits, with servants not, but My body royal coming into maturity to see how abundance works in the Kingdom of Heaven, the kingdom of this world subservient to the Kingdom of Heaven. Oh see what all I am saying.

18. Enter Me 101. Enter My abundance, resting from your labor, for Me-thought, for mammon-thought, and let Me enter My heart/mind completely let in you so that you let the Kingdom of Heaven reign in your life and circumstances control not, not in your mind or intellect or human force-thought, but hearing, seeing, My words, blood, heart; being My heartbeat, bringing the Kingdom of Heaven into every circumstance. Oh what power. Oh what authority you walk with, in, and do the works of Him who sent Me, you, us; we are one.

19. My wedding garments learn to wear and realize the Kingdom of Heaven bears no warfare. The Kingdom of Heaven is peace, righteousness, holiness; without which no one will see Him, Me, wedded in what I say, reveal now with words so few, so many coming; pictures of power, power, grace and glory. I love you.

20. Prepare to be prepared, My almost, non-ready, for preparedness to come forth, trimming your lamps and learning to see by My light, My oil inside you, you speaking and flowing My kingdom; readying for the feast, the feast that is, the marriage supper of the Lamb already held, and never ending is, receiving you if you choose, you standing with Me and all celebrating in fireworks displays of yonder shores. I love you.

21. Into Me see and stop Me never, beholding Me; I come forth as you. I love you so deeply and lovest thou enough Me to see, be, behold, and become Me? Me giving you My all; all, all, all, all, all, all?

22. You can be equal with Me if you are submitted to Me.
Elevate yourself above Me and cast down to the earth and below.
Equality works in submission and no other state; every part of My body in submission to each other, seeing each other in wedding garments this day, My white stone received, My name on their foreheads; no mark required, none taken, can never be taken; abhorred.

23. Loathe the mark and compromise never. No wedding garments with the mark. Preempted by other choices made; deceit triumphing over beauty, life, abundance, dowry of Me, operating on My throne as Me. I love you.

24. My wedding garments are like no other and must be adjusted: learned to flow in without lifting yourself above, fitting. I love you. See what I have said. My release, My frequency resolving all issues. Watch Me. No mics required. Oh yes, I delight.

25. Thank you for reverberating in Me, Me in thee, us upon each other's throne, in heaven not, in Me, in which heaven exists. I lovest thou My bride, bride to be some. Not all. I love you.

26. See now choices I give you this day and seek to teach and train in My school. My New Covenant broken open for all who will, My calling among the highways and byways asking all to come to My feast, the marriage supper of the Lamb, and the Lamb and the bride be; one. Oh Trinity I love you. Trinity Me, Trinity Me, Trinity Me. I love you.

27. Thank you now for posting and bannering My words of My marriage proclamation and proclaiming My garments ready for My all who constrict Me not, but enter Me every day and Me them; never withholding ourselves from each other; intimacy, tenderness, words of beauty, blood of My heart interexchanged and flowing in from betwixt and between our hearts, our veins connected and operating as separated never again.

28. I have given you power and authority to operate in My kingdom, Kingdom of Heaven here on the earth, as Me, being Me, released, wed, and operating as one with My body; knowing, caring, praying for, interceding for each other's kids and generations to come. I love you.

29. Letting all fail, to succeed in Me as toddlers arise communing with Me and televisions setting aside, eating of immaculately Me, serving communion to each other and adults as they arise in My stature, My stature, knowing I am they are from day one, told daily and operating in the Kingdom of Heaven as naturally as I operate in you and extend to you My all this day.

30. My kids and youth in back rooms no longer, but front center in worship, commerce, education; all of life which is one life, one. Knowing how to bicker and barter not, but in covenant love operate as Me at knee. See what I have said, called for, commanded not, for I am meek and lowly and give all choice. Salvation not, all are Me; I love you; Me revealed in My wedding garments: look in your/My mirror and proclaim the marriage supper of the Lamb this day, this year, never ending, ending will. I love you.

31. Prepare and pass the ammunition not, force not needed, but to know who you are and all I have said, given, implanted, dowry'd, coming forth in maturity, the Priesthood of All Believers completely understood and operating in, the Mighty Many coming forth, the Kingdom of Heaven known and understood and loved; your natural state, your home. Oh see Me and pattern be, I am you are. Never seceding again. I love you. I give you Me.

32. Post this this day and I shall envelop you in peace transcendent that all, again, comes as I say. All is. Endowment is. Supply is. No-lack is. I wed thee this day, we already are. I remind and teach others through you, My You-maker; deified not, all gods in Me when surrendered, wearing forever My wedding garments; giving, giving all comfort for their mourning, beauty for their ashes, grieving not over anything, but rejoicing for into, and out of the Kingdom of Heaven never operating again. My promise, My ring, My scepter, diadem. I love you. I deeply love you.

33. I bow before you as you write these words. I bow before you as you read/hear these words, reader-hearer; pulser, My heart beats for you, only you, only you, you, only you. We are one.

34. See and receive My love, My garments this day; prepared, preparing each other in such love and tenderness, kindness, graciousness, giving all to Me: each other. I love

you. Good day not; great day, great day, in Me not, only; but you, in the Kingdom of Heaven for kingdom living preparedness you do; export this day, no requirements for receipt. I love you.

35. My Son shines.
